Date: 6:30 PM to 7:00 PM Meeting

Collin County GOP Headquarters

[2963 W 15th St Suite #2981 Plano, TX 75075.](#)

JUST WHAT IS HAPPENING TO AMERICA

Our April program reveals one of the most legitimate concerns we address daily: WHAT IS HAPPENING TO OUR AMERICAN CULTURE!

Our speaker, Professor David Niederkorn, will identify and discuss some of the changes affecting our culture, such as;

The birth of political correctness,

The implementation of identity politics,

The effects of the feminist movement and

The strategies of SEIZING OUR POLITICAL INSTITUTIONS.

In summary, Professor Niederkorn will discuss BEHIND THE SCENES OF OUR CULTURE REVOLUTION.

This is not a sideshow for conspiracy-buffs but rather a historical review of political and social programs imbedded in our colleges and universities. Further, Professor Niederkorn while identifying this movement will offer an alternative philosophy rooted in our American Heritage.

Professor David Niederkorn is a professor of politics at Arlington Baptist University and is writing his PHD dissertation at the University of Dallas.

Make your calendar for Thursday April 19 at GOP Headquarters in Plano. Guests are welcome, bring a friend. Light refreshments will be served.
