THE CHALLENGE OF A CONSTITUTIONAL CONVENTION

Why is there such a big push for the support of a Constitutional Convention? The Texas House adopted a resolution calling for a convention of states to amend the U. S. Constitution—one of Gov. Greg Abbotts proposals.

Our outstanding speaker SMU Prof. of Political Science, Cal Jillson, will address this political issue. Prof Jillson is one of the nation's foremost political experts. He has provided journalist political insight on U.S. and Texas politics. He is the author of the book, "*Lone Star Tarnished*" and a former member of The Council on Foreign Relations. Prof. Jillson will expand upon the underlying reasons for a constitutional convention and identify the risks involved in the call for an

Article V Convention of States. This is an educational presentation that provides the necessary answers thus enabling you to make a decision on the merits or risks of Gov. Abbott's proposal.

Mark your calendar for Thursday, August 16. Remember, our meeting is open to the public, guests are welcome. Meet and greet begins at 6:30 pm, light refreshments will be served.
