How the new USMCA trade agreement enhances our nation in trade with Canada and Mexico. Of vital importance, our speaker, Tom Giovanetti, President for the Institute for Policy Innovation (IPI), he will identify the benefits of this new trade agreement. Some aspects of USMCA are:

Expansion of American food and Agriculture products

Fair treatment for wheat and other agriculture products

Enhanced rules for science based sanitary measures

New protections for proprietary formulas

Mr. Giovanetti will review what President Trump has done on trade, will be doing on trade and should be doing on trade.

Please join CCRMC on Thursday April 18 at Collin County Republican Headquarters, 2963 W. 15 St, Plano TX 75075. Meet and greet begins at 6:30 pm with meeting at 7:00 pm. Light refreshments will be served.

Richard Dodson, President
