I am excited to announce that a long-term club member and distinguished Texas 401st District (Retired) Judge, Honorable Mark Rusch has graciously agreed to address our club. Topic of his speech is:

"Does Quality of Judiciary Depend on the Method of Judicial Selection?"

Please come and welcome Judge Rusch for his speech. Please bring a friend along who may have interest and curiosity to learn about Texas Judiciary and its functioning. In Collin County there is no more any concern about using masks at small public gatherings. Hopefully the meeting will be well attended.

This year Lincoln Day Dinner is on July 17th at Southfork Ranch. Our club has always supported this event. I have requested Randy Johnson to be our club's representative to Lincoln Day committee. Please bring your check to the meeting to attend this event so that Randy can reserve a seat for you. Also, make a note that CCRMC will not have monthly meeting in July.

For August we are planning a big joint meeting with Republican Women Greater N. Texas (RWGNT) club. The topic of this meeting is "Border Security." Please mark your calendar the August meeting will on Tuesday, August 10th, not usual 3rd Thursday, August 19th.

Membership Committee chair, Erick Noack, is requesting all members to please be current with your $25 membership dues for 2021.

C U All.
