Why are you a Traditional Conservative Republican?

Since January 2018 we have been publicizing our CCRMC as **traditional conservative** political club. This identity has been reflected in our membership and programs. We have had several inquiries identifying what are our fundamental values. Those listed are not inclusive but represent a general listing.

- We affirm that all are created equal, endowed by their Creator with inalienable rights of life, liberty, and the pursuit of happiness
- We believe in religious liberty as the first freedom to be protected as the right of people to practice their faith.
- We acknowledge the right to keep and bear arms is an individual right to protect one's life and property
- We believe our culture is based upon traditional marriage and the sanctity of innocent human life.
- We believe government derives its power from the people that we are a Representative Republic.
- We believe our society emphasizes self-reliance and individualism for a more prosperous economy.
- We support a public education system available to all citizens of our country.
- We believe in a strong military that defends our borders and protect our liberty.
- We respect our Judeo-Christian heritage--understanding change and reform are not identical.
- We support policies of limited taxation and government spending.

- We acknowledge personal freedom and property ownership are inseparable and are to be protected equally.

- We believe in an inclusive party respectful of different points of view—“no litmus test”.

If you agree that our listing mirrors your own convictions, I extend a personal initiation for you to join the **MAGIC**—“Expecting the Unexpected”. You may consider joining our club using PayPal or copy the application from our website (WWW.CCRMC.ORG). If you have any questions, please call or email.
