

Follow up to Last months meeting

Due to Corona Virus Pandemic CCRMC had to postponed six consecutive monthly meetings since February 20, 2020. First meeting since February was held on 9/17/2020. Collin County Sheriff Jim Skinner was the keynote speaker at the meeting.

In the anticipation of low membership turnout, we decided to record the meeting for the benefit of membership at large. I am happy to announce that you can view the whole meeting on YouTube by a single mouse click at the following:

Please stay tuned for further announcements about October meeting.

Yours truly,
