He will discuss specifically what the Trump administration has accomplished to date and what the administration is planning to accomplish in the immediate future. Further, he will share his own vision of Free Health Market Care in the United States. He regularly briefs Congress on economic policy and has written extensively on topics concerning health policy, tax reform and

school choice. He has completed research at Columbia University, Stanford University, Dartmouth University, Southern Methodist University and the University of Dallas.

Finally, its that time of year again

CCRMC is seeking volunteers for the Plano 4th of July Parade

It is time to plan for the 2019 4th of July Parade. The Lion's Club has requested that we distribute US Flags along Independence as we have done for the past 19 years. The theme for this year's parade is "Spirit of America". Put on your thinking caps and let's discover an appropriate display for our float. Second, consider volunteering for the decorating committee as well as walking to distribute the flags. We have the required pick-up truck and trailer.

Please share your ideas.

Donations are requested for purchase of flags in addition to volunteers.

For an informative evening mark your calendar for Thursday June 20. Light refreshments will be served.
