## The ugly truth about criminal background checks!

### What kind of information do you get when you run a “Criminal Background Check”

Keynote speaker attorney Mark Myers lays out the real truth about Background Checks.

Our expert speaker, Mark Myers, served as President of Background Information Systems, a nationwide background screening company based in Dallas. Mark has provided expert testimony to state legislatures in multiple states and was instrumental in drafting the Indiana schools background check legislation which was passed in 2008.
