Dear club members, please plan to attend a joint CCRMC and AARCCC monthly meeting on Thursday, April 15th from 6.30 to 8.30 PM. Please make a note that this is a once-a-year special meeting to be held at Collin College Ad Min. building's auditorium on 3452 Spur 399, McKinney, Tx. Map and directions as shown below, as well as the hyperlink above.

As you know last year President Trump declared China and its major high-tech companies, some of which have US headquarters in Collin County, as National Security Risk. So, CCRMC has teamed with African American Republican Club of Collin County (AARCCC) to discuss a challenging topic:

[China/Hong Kong/Taiwan - US National Security and Human Rights.](#)

We have invited two key speakers for a very informative session:

- Dr. Wen Chen, a specialist in Geopolitical Risks and Human Rights from Los Angeles, California.
- Professor Karl Ho, a specialist in Taiwan Studies at UTD.

Speakers' brief bio of each is listed here in. Our special topic is timely considering three other similar topic meetings are being held by other Collin County Republican organizations:

- Republican Women of North Texas (RWGNT) on April 13, 2021 China's Influence in America & Threat it Poses
- Patriot Breakfast at 7.30 AM on April 21, 2021 China's Four - Dimensional Threat
- Heritage Ranch Club, Fairview, Tx. on June 3, 2021 China and Its Threat to National Security

The exception being the above meetings are by invitation only, while CCRMC/AARCCC meeting is open to all. So, please invite a guest to the meeting. We have plenty of space. Texas does not have mask mandate anymore. Still a limited number of masks will be available at the registration desk.

We are planning to have a well-attended meeting. CCRMC members, please bring a \$25.00 check if you have not renewed yours 2021 membership.
